

retourne les cartes

Au début du jeu, toutes les cartes sont tournées face gros chiffre vers le haut. Elles sont rangées dans l'ordre croissant de la gauche vers la droite. Chaque joueur choisit une couleur.

Règle : Les joueurs lancent 2 dés. Ils peuvent choisir de retourner les cartes qui correspondent aux dés (2 et 4) ou la carte qui correspond à la somme des dés (6) ou les cartes qui correspondent à une décomposition du total des dés (3 et 3). Tan que le joueur peut retourner des cartes il continue, sinon il s'arrête. Le total des points des cartes non retournées est alors calculé.

Le joueur qui a le moins de point gagne.

Variante :

Pour simplifier, on peut choisir de retourner la carte de la différence des 2 dés ($4-2=2$) plutôt que les cartes des décompositions (3+3).

Pour compliquer, on peut autoriser les décompositions avec 3 termes ($9 = 2+3+4$).
